

All resources are available for free on our website www.womhealth.org.au and are free to individual women.

Resources are provided **free of charge** to organisations or health professionals in Queensland (**maximum order is 10 copies for booklets and 25 copies for fact sheets**). Quantities over this number will be charged the amount indicated. Bulk purchases of resources are available at discounted rates. Please contact Women's Health for further information.

All interstate orders are charged at the amount indicated.
